<b>Sector</b>	VET, AE
<b>Themes and goals:</b>	<i>TCA Green Erasmus: A contribution to Europe's green transition?! takes stock of the experiences gained in implementing the horizontal priority "Environment and fight against climate change" in Erasmus+. It presents the projects' contributions to date and the potential for future projects. A special focus will be on mobilities. The TCA intends to identify the role and contribution of Erasmus+ to Europe's green transition, to transfer best practices and to enable participants to learn from each other. It is open to the sectors Vocational Education and Training (VET) and Adult Education (ADU) in both key actions (mobilities and cooperation partnerships).</i>
<b>Expected results</b>	The participants learn about the role and contribution of Erasmus+ to Europe's green transition, get insight view of good practices, learn from each other. They discuss and design together new project ideas for the green transition and find cooperation partners.

<b>Title</b>	<b>Training Impact Design for NA Staff and Experts/Assessors</b>
<b>Start date</b>	22.01.2025
<b>End date</b>	24.01.2025
<b>Venue country</b>	Czech Republic
<b>Venue city</b>	Prague
<b>Type of presence</b>	Face to Face
<b>Key Action</b>	Not applicable
<b>Sector</b>	HE, VET, SE, AE
<b>Themes and goals</b>	This training is a 3 day event for NA Staff and External Assessors, that focusses on the application of 'impact (results based) thinking' in project and programme design. Project and programme management principles:  The training discusses the definition of impact and intervention logic according to OECD-DAC criteria and looks into different

	<p>programme management models. It explores which combination of tools and approaches is effective when designing project proposals.</p> <p>Models used include the logical framework, theory of change and outcome mapping. During the training participants apply methods and tools to case studies and discuss the pro's and con's of the different methods in their specific national context.</p> <p>Effective design support for applicant organisations:</p> <p>During the training the roles and responsibilities of the National Agencies, experts and applicant organisations and beneficiary groups are examined. Four actors with different roles to play, but also with a common goal: an effective Erasmus+ programme.</p> <p>The training revolves around the central question of which strategies a NA can follow to provide support in project design to applicant organisations. The course works on the principal idea that properly designed projects lead to better implementation and thus better impact.</p>
<p><b>Expected results</b></p>	<p>After the training, participants:</p> <ul style="list-style-type: none"> <li>• Understand what impact is, why it is important and how you can apply impact thinking in a practical way.</li> <li>• Understand the key differences between output and outcome/impact results.</li> <li>• Have practiced with various programme management methods.</li> <li>• Have reflected on what can be done to strengthen impact thinking within their national context.</li> </ul>
<p><b>ParticipantsProfile</b></p>	<p>NA staff and external experts involved in assessment of applications for KA120, KA220 and KA210.</p>
<p><b>Additional Info</b></p>	<p>The programme will start at around 2PM on Wednesday 22 January and end after lunch on Friday 24 January (at around 2PM). All participants will need to be present for the whole programme. Training will take place on Wednesday afternoon, all day on Thursday and on Friday morning.</p>

	For all participants, the Czech NA will arrange and cover: 2 nights (check-in Wednesday; check-out: Friday) and meals for the duration of the event (first meal: dinner on Wednesday; last meal: lunch on Friday).
